WALKER CATCHES UP ON INDEPENDENT INVESTIGATION

Supervisors had requested third-party review more than three months ago

Milwaukee, WI – Milwaukee County Supervisor John F. Weishan, Jr., released the following statement regarding the partial concrete collapse that occurred at the O'Donnell Park parking garage on June 24, 2010:

“A tragedy of this magnitude requires an honest, unbiased assessment by a third party. Shortly after the tragedy occurred, Supervisors Marina Dimitrijevic, Chris Larson and Johnny L. Thomas joined me in calling for an independent investigation.

“Based on media reports, it appears that County Executive Scott Walker now supports an independent investigation into this tragedy. Although the County Executive’s change of course is long overdue, I am pleased that he now supports this independent investigation.

“Today, I am asking the County Executive to promptly request this investigation from the State of Wisconsin. Now is the time to walk the walk, not just talk the talk eight days before November 2nd.”
